KNOW YOUR STAFF

Staff Member: *Shaye Jones*

Early Life: I grew up in Uitenhage, where I spent most of my early years before moving overseas to Germany from Grade 4 to Grade 7. After returning to South Africa, I continued my education at Riebeek College Girls' High School, where I matriculated. I then began my teaching journey by enrolling at Varsity College to pursue my studies in education.

Family Life: I've been with my partner for over nine years, and we share our home with the cutest Yorkie in existence - though I might be a little biased!

Career Life: I began my teaching journey in 2017 with my practical teaching, which continued until 2020. During this time, I had the opportunity to teach at various schools, where I gained invaluable experience and enjoyed many memorable moments of personal and professional growth. In 2021, I joined Caledon Preparatory, where I taught Grade 3 for three years and Grade 1 for one year. At the start of 2025, I joined Sunridge Primary, returning to my roots in teaching Grade 3 — and I'm absolutely loving it.

Accomplishments: None of note at the moment - besides living life to its full potential.

Interesting facts about yourself: I'm passionate about learning just as much as I am about teaching. I'm constantly expanding my knowledge and adding to my teaching toolkit through ongoing professional development. My most recent achievement is a TEFL course, which focused on teaching in diverse environments and adapting to various teaching and learning styles.
