Geagte Ouers

Die eksamen en prysuitdelings is iets van die verlede en binne die volgende week sal ons die Gr 7's groet en die hoofleiers vir 2026 aankondig.

Ons moet ons punte by die Departement indien en dan met ons rapporte begin, sodat ons dit aan ouers kan oorhandig, soos reeds met u gekommunikeer. Ons verstaan dat die akademiese jaar voltooi is en verwelkom diegene wat steeds skool bywoon – maar hulle moet te alle tye die skoolreëls gehoorsaam. Terwyl personeel vir 2026 voorberei, sal ons akademiese werk doen met die leerlinge wat skool bywoon. Ons sal egter nie ontwinging duld nie en mnr Vosloo is gereed om dissiplinêre stappe in te stel, aangesien ons nuwe stelsel vir aanstaande jaar gereed is om getoets te word – hierdie stappe sal na 2026 oorgedra word.

Die volgende is met ouers van Gr 1-leerders vir 2026 gedeel, maar alle ouers behoort kennis te neem:

Wanneer 'n leerder sy/haar skoolloopbaan in Gr 1 begin, verwag ons dat die kind reeds oor die **basiese sosiale vaardighede** en morele waardes moet beskik. Ons werk by die skool is om die kurrikulum te onderrig en nie om die kind basiese dissiplinêre vaardighede te leer nie. Sunridge is 'n hoofstroomskool wat leerders bedien wat daartoe in staat moet wees om in die hoofstroom te funksioneer.

U kind moet hom/haarself in die badkamer kan help en oor die basiese vaardigheid beskik om agter hom/haarself skoon te maak, om toiletpapier te gebruik, 'n toilet te spoel, hande te was en ander te respekteer wat dieselfde fasiliteit gebruik.

Om na instruksies te luister en dit te volg, is 'n basiese vaardigheid. Aangesien u kind hier is om Wiskunde, Tale en Lewensoriëntering (selfs meer in Gr 4 tot 7) te leer, moet hy/sy in staat wees om by 'n lessenaar te sit, om te werk wanneer nodig, om te bly sit wanneer die opdrag gegee word en om ander leerders alleen te laat wanneer hulle wil werk.

Hulle moet weet dat bakleiery en vuil taal nie toelaatbaar is nie, dat dit nie reg is om dinge te vat en te breek wat nie aan jou behoort nie, dat die waarheid en niks anders as die waarheid nie, die enigste roete is om te volg, dat om verantwoordelikheid en aanspreeklikheid te aanvaar, sal verseker dat jy oor die nodige vaardighede beskik.

Miskien is daar 'n paar van ons huidige leerders wat nie aan hierdie basiese vereistes voldoen nie? Dit is nou die tyd om op te skerp, want 2026 gaan 'n wonderlike jaar wees met fantastiese en opwindende ervarings en geleenthede vir alle leerders wat hard werk en binne ons hoofstroomskool funksioneer.

Ingesteldheid is alles en 'n positiewe houding is die sleutel tot sukses. Elkeen is aanspreeklik vir die basiese vaardighede en as dit in plek is, sal jou reis saam met die skool een van vreugde wees.

Dear Parents

The exams have been completed and the prize-givings are something of the past. The final stretch next week will see us say farewell to our Grade 7's and announce our head leaders for 2026.

We will submit our marks to the department and then start with our reports so as to hand them to parents as previously communicated. We understand that the academic year has been completed and welcome those who are still attending school—but they must obey the rules at all times. While the staff are preparing for 2026, we will be doing academic work with learners attending school. We will, however, not tolerate disruption and Mr Vosloo will apply disciplinary steps as our new system is ready to be tested - these steps will be carried over to 2026.

The following has been shared with parents of the 2026 Grade 1 learners but all parents should take note;

When a learner starts his/her school career in Grade 1 we expect the child to have **basic social skills** and moral values. Our job at school is to teach the curriculum and not to educate your child on basic disciplinary skills. Sunridge is a mainstream school serving learners who need to be able to function in the mainstream.

Your child must be able to help him/herself in the bathroom and have the basic skills to clean up after themselves, use toilet paper, flush a toilet, wash hands and respect others who use the same facility.

Listening to and obeying instructions is a basic skill. As your child is here to learn Mathematics, Language and Life Orientation (even more in Grade 4 - 7) he or she must be able to sit at a desk, work when told to, stay seated when instructed and to leave others alone when they want to work.

They need to know that fighting and swearing are not acceptable, that it is not right to take or break what does not belong to you, that the truth and only the truth is the only way to go. Accepting responsibility and accountability will ensure they comply with the necessary skills required.

Perhaps there are a few current learners who do not meet these basic requirements? Now is the time to step up because 2026 will be a great year with wonderful and exciting experiences and opportunities awaiting all learners who work and function within our mainstream school.

Attitude is everything and a positive attitude is the key to success. Everyone is accountable for the basic skills and with these in place, your journey at school will be a happy one.
