Geagte Ouers

Ons leerders geniet dit om aan die straatmyl deel te neem en ouers wat ondersteun en rondom die skool of op die pawiljoen sit, is alles deel van die dag. Hoewel die oorgrote meerderheid van leerders deelneem, was dit duidelik dat hopeloos te veel leerders gekies het om nie eers die "myl" te stap nie.

Baie dankie aan die ouers wat ons gewys het waar Dawid die wortels gegrawe het – hulle het ons personeel met groot gemak geklop. Die personeel sal ongetwyfeld hulle bes doen om in 2027 die bordjies te verhang.

Hoewel die onlangse reën reeds 'n verskil aan die gras gemaak het, is dit nie genoeg nie en ons vertrou dat die Here ons binnekort met nog milde reën sal seën. Ons nuwe tenkprojek en keermuur is voltooi en die nuwe snoepiedak is 'n reuseverbetering. Ons hartlike dank aan die SBL vir hierdie inisiatief – dit is in die beste belang van ons leerders.

"How wonderful it is that nobody needs to wait a single moment before starting to improve the world." - Anne Frank

Hoewel ons individuele ouers moes aanspreek wat nie aan ons beleid rakende ouerbesoeke binne ons reëls gehoor gegee het nie, MOET ons die oorgrote meerderheid ouers bedank vir hul ondersteuning, begrip en voldoening aan die reëls. Selfs ouers het aan ons gerapporteer dat dit 'n groot verskil maak – en aan daardie ouers wat verskoning vra omdat hulle nie voldoen het nie, wil ons net sê ons beweeg vorentoe, want "saam groei ons". Dit is die regte ding om te doen en die regte voorbeeld om te stel. Dit boesem vertroue en respek in – baie dankie daarvoor!

Ons leerders werk en speel hard. Sukses in die klaskamer is die sleutel en ons vernaamste fokuspunt. Die aktiwiteite buite die klaskamer is ook belangrik, maar dit speel tweede viool teenoor die akademie. Dit is egter wonderlik om te sien hoe die leerders tou staan om deel te neem. Om jou beurt af te wag en van geleenthede gebruik te maak, is ook 'n vaardigheid, want geduld en uithouvermoë is belangrik.

Hulle bly kinders wat oor die volgende paar jaar sal ontwikkel. Let asseblief daarop dat hulle nie professionele mense is nie en dat die dissipline en vaardighede wat ons nou opskerp, tyd sal neem, maar uiteindelik vrugte sal dra. Slegs 3% tot 5% van buitengewone buitemuurse presteerders sal op hoërskool uitblink, en slegs 1% ná skool.

Ons doen ons belofte gestand om die ontwikkeling van jong kinders te ondersteun en te lei, en om te verseker dat hulle by hoërskole op dieselfde vlak as by Sunridge uitblink en presteer. Ons is trots op die matriekuitslae van 2025, waar gewese Sunridge-leerders ons naam hoog gehou het.

Dear Parents

The learners thoroughly enjoyed the Street Mile - the parents supporting them from around the school or on the Pavilion was all part of the day. Though the vast majority took part it was clear that way too many learners chose not to even walk the "mile."

Thank you to the parents who showed us how it is done as they blitzed through the "mile" with ease, even beating the staff - the staff will take up the challenge and try and turn the tables in 2027.

Although the recent rain has already made a difference to the grass, it is not enough and we trust that the Lord will bless us with more rain soon. Our new tank project and retaining wall has been completed and the upgraded roof over the tuck shop is a huge improvement. Our heartfelt thanks to the SGB for this initiative - it is in the best interest of our learners.

"How wonderful it is that nobody needs to wait a single moment before starting to improve the world." - Anne Frank

Even though we have had to address individual parents who do not comply with our policy regarding parent visits within our rules, we **MUST** thank the majority of parents for their support, understanding and compliance of the rules. Even parents report to us that it makes a big difference - to those parents who have apologized for not complying, not a problem, let us move forward as "together we grow." It is the right thing to do and the right example to set. It builds trust and respect and we thank you for that!

Our learners work and play hard. Success in the classroom is the key and our core business. Activities outside the class are important but come second to academics. It is fantastic to see our young ones lining up to participate. Waiting for your turn and taking advantage of the opportunities offered is also a skill - patience and endurance are important.

They are still children and will develop over the next few years. Please remember that they are not professionals and the discipline and skills we are honing now take time but will eventually bear fruit. Only 3% - 5% of high extra mural achievers will excel at high school and less than 1% after school.

We keep to our promise to support and guide the development of young children and ensure they can excel and perform at the same level in high school as at Sunridge. With that being said, we are proud of our past learners' 2025 Matric results - they have, again, held our name high and made us proud.

KNOW YOUR STAFF

Staff Member: *Pasqual Halgreen*

Early Life: I attended Sunridge Primary School from Grade 1 - 7 and later went onto Alexander Road High school, where I matriculated in 2009. Throughout my life, I spent my days doing ballet and contemporary dancing where my greatest passions played a central role in shaping who I am today. I am the only child so growing up shaped my strong sense of independence while deepening my appreciation for close family connections.

Family Life: I got married in 2016 to Darryl, and together we have one daughter, Zaylee, who is now 7 years old and in Grade 2.

Career Life: After school I studied hairdressing and completed that but then made a career change and completed my Psychology degree at NMMU before going onto studying a PGCE. I started teaching in 2018 and now I am a part of the Sunshine family as a Grade 4 teacher.

Accomplishments: Earning both a Psychology and Education degree, Ballet Champion for 3 consecutive years, Winning Showtime - Best Actress Award for playing a role in a Sunridge Primary School Operetta, fulfilling my calling as a teacher (especially at Sunridge), I am a qualified hairdresser, becoming a mom ☺

Interesting facts about yourself: I am an early riser, I love waking up before the sun rises, "The early bird catches the worm". I am a very funny person (I think), I enjoy being light-hearted and not too serious about life.
